The 16-Week Strategic Roadmap

Month 1 Weeks 1-4	Month 2 Weeks 5-8	Month 3 Weeks 9-12	Month 4 Weeks 13-15	
Foundation Phase Core concepts & Syllabus Coverage	Deepening Knowledge Difficult Topics & Calculations	Consolidation Review & Active Recall	Intensive Practice Mock Exams & Timed CBT	Week 16: THE EXAM → Recap, Recap, Practice, Final Mock Exams

The Daily Routine of a Winner

Discipline is the bridge between goals and accomplishment.

****Strategy Note****

****Subject Balance Rule:****

Allocate 2 hours for 'Easy Subjects' but reserve the majority of your energy (Evening Block) for 'Difficult Subjects' like Formulas, Graphs, and Pharmacokinetics.

High-Yield Study Tactics

Retention Strategy

Active Recall & Spaced Repetition.
Don't just read passively. Test yourself constantly to move information to long-term memory.

The 'Must Answer' Topics

Never skip these areas:

- Calculations
- Pharmacokinetics
- Standard of Care
- Drug Therapy Problems

Volume of Practice

Daily Target: Solve 50–100 questions.
Review every incorrect answer to understand the "why".

Subject Balance

Consciously divide your study time.
Tackle formulas and graphs when your mind is freshest.
